Featured Project: Summer 2024

Great design doesn't have to feel serious or stuffy. This lovely bedroom was created for client who wanted a big change! After years of living with oak and beige, the Decorating House was hired to realize a fresh contemporary look; first for the open concept living room and dining room, and shortly after the master bedroom.

A new color palette was selected, and a soft seafoam (applied by the Decorating House Painting Services) gave the room an entirely new feel. The simple but elegant French Gray bed and nightstands offer plenty of storage with a clean appearance.

The bed is dressed with a custom bedset by Barclay Butera. Fresh airy textiles, embroidered botanicals, and the perfect splash of magenta transform the space into a bright and cheery oasis. The impressive bay window is dressed with custom panels, embellished with decorative tape detail. Teal "Upbeat" lamps add the finishing touch!
