# HAVE A PAINT PROJECT COMING UP?

Before

DECORATING HOUSE  
FURNITURE & INTERIOR DESIGN

After

"Looking to have your home painted? I highly recommend Decorating House. They were a delight to work with. We had some remodeling work prior to the painting which they also handled. They provided a quote and timeline which they met and honored.

Early in the project I realized I did not like the color- Britta was here within the hour- she worked with me to find a solution and by that afternoon it was fixed. She guided me in the right choice and I love it.

We will not hesitate to use them for our next home project. I would seek an opinion and a quote from Decorating House before I start any home improvement work at our home."

## Featured Project: Summer 2024

Great design doesn't have to feel serious or stuffy. This lovely bedroom was created for client who wanted a big change! After years of living with oak and beige, the Decorating House was hired to realize a fresh contemporary look; first for the open concept living room and dining room, and shortly after the master bedroom.

A new color palette was selected, and a soft seafoam (applied by the Decorating House Painting Services) gave the room an entirely new feel. The simple but elegant French Gray bed and nightstands offer plenty of storage with a clean appearance.

The bed is dressed with a custom bedset by Barclay Butera. Fresh airy textiles, embroidered botanicals, and the perfect splash of magenta transform the space into a bright and cheery oasis. The impressive bay window is dressed with custom panels, embellished with decorative tape detail. Teal "Upbeat" lamps add the finishing touch!
